## UPDATED SESSIONS

As many of you have noticed, we are an ever-growing club! To accommodate demand, we have added an additional session and made some changes to the lead coaches and venues.

This allows to utilise coaches time to better effect.

Apologies to those effected by venue changes, but venues slots are becoming increasingly difficult to find.

Sessions will change from September.

## COMMITMENT TO 2022/2023 SEASON

Last year, we introduced an annual registration form which allows us to capture all up to date information (including team numbers, updated injuries, disabilities and/or learning difficulties- information essential to a coaches session planning). This form needs to be completed by **Friday 26th August** for those who are intending to return from September 2022. Here is the link to the registration form:

## NETBALL CAMPS

Unfortunately, there will be no camps ran over the summer holidays.

Due to the success of previous camps, we will look at possibly introducing some during the 2022/23 academic year. We will keep you updated on this.

## AWARDS SEASON

Following on from our incredibly successful awards evening last year, we have booked this year's awards for Friday 9th September at Liverpool's Irish Centre.

We will be sending out further information over the next couple of weeks.

## THANK YOU!

Finally, thanks to everyone (players, umpires, parents, volunteers and coaches) for your continued support. It really is worth it all when we see the girls bonding and forging friendships within their team.
