ATTENDANCE

We're full to the brim!

Due to club demand for places, and in order for all our players to have fair development in the club, we will now be taking weekly registers.

We will expect each member to attend at least 50% of training sessions per month in order to keep her place. If there is absence due to illness, injury or holidays, this will be taken into consideration.

We hope you understand due to the climbing demand to be a part of our Unity Family.

AWARDS EVENING

Our 2022 Awards Evening has been set for 9th September.

Please add this date in your diary's with more details to follow.....

SUBS

Subs are due on the first of each month. Our bank details are as follows:

Name: Unity Netball

Sort code: 09-01-29

Account: 35469924

Unity is a non-for-profit organisation and so all subs contribute to the overall running of the club. To keep our club running smoothly we are introducing a pay to play policy which means non-payment of your subs may put your place at risk.

If you are under financial hardship please reach out to us and we can look at how we can support you.

MANCHESTER THUNDER TRIP!

We would like to give the girls an opportunity to see a live netball match together in Manchester (Belle Vue). The proposed match would see our local Superleague team, Manchester Thunder come up against Severn Stars on Saturday **9th April 2022** from **5pm**.

We are aiming to provide transport to and from the venue from a single local pick up point. There will be no cost to parents for either the ticket or transport.

Please complete the following survey if your child is interested in attending

SEN (SPECIAL EDUCATIONAL NEEDS)

Unity Netball Club prides itself on being accessible to all its members.

We understand that children with SEN may need extra help to get the most out of their time with us.

If your child does have additional needs please do reach out to us and we can talk through any adjustments that may need to be made.

WE ARE RECRUITING!

Since starting the club over 3 years ago, the club has grown from strength to strength, with both junior and adult sessions being delivered.

We are looking for a Level 2 coach who is enthusiastic, forward thinking and can help us drive the development of the club even further.

If this is something you are interested in please drop us a message for further information.
